- 2.7** Track events participants who failed to participate in the qualified final event(s) are not permitted to take part in relay events.

3. Finalists

3.1 Field Events

- 3.1.1** A straight final will take place when there are less than 8 participants in an event.
- 3.1.2** In straight finals of long jump and triple jump, participants will have a maximum of 6 trials.
- 3.1.3** In all field events except High Jump, only the best 12 participants in the first trial will be qualified to continue their competition in the heats. The 12 best participants in the first trial will be given another two trials in the heats.
- 3.1.4** The eight participants with the best valid performances in the heats will be qualified as finalists.

3.2 Track Events

3.2.1 100m, 200m and 400m Races

- 3.2.1.1** The eight participants with the best valid times in the heats will be qualified for the final. The allocation of lanes will be arranged as follows:

Lane	1	2	3	4	5	6	7	8
Position	8th	7th	3rd	1st	2nd	4th	5th	6th

- 3.2.1.2** In the case of more than one participant tying for the 8th position, the participant who finished in a higher position in the heat will be qualified for the final.
- 3.2.1.3** When more than one participant is still tying for the 8th position after considering all the above factors, the decision will be decided by lot drawing by the Chief Recorder.
- 3.2.1.4** If less than 8 participants report to the Marshal in the heats, straight finals will be held immediately.
- 3.2.2** 100mH, 110mH, 400mH, 800m, 1500m and 5000m events will be straight final events and the final standings of the participants will be determined according to their time achieved.
- 3.2.3** When 16 or less participants report for the 800m event, one straight final will be held.
- 3.2.4** When 24 or less participants report for the 1500m event, one straight final will be held.
- 3.2.5** A combined 5000m event will be held when both male and female athletes will run in the same race. The final standings of the participants will be determined according to their time achieved in the Men's group and Women's group. Participants of the 5000m events should complete the event within the set time limit, i.e. 35 minutes and 40 minutes for male and female participants respectively.
- 3.2.6** There should be a total of 3 females and 7 males participating in the Inter-student group 10x200m Mass relay. For each additional male participant, an additional 5 seconds will be added to their overall time.

4. Scoring

4.1 Participation Point

- 4.1.1** Only participants with valid student ID card will receive participation points in individual events.

4.1.2 One participation point will be awarded to a participant for each successful completion of a heat or straight final individual event.
